Glenn De Baeremaeker's Wood Chip Giveaway

Thursday, May 18 5:30 p.m. to 8:30 p.m.
Scarborough Village Recreation Centre, 3600 Kingston Road

Help yourself to any leftover wood chips on Friday, Saturday or Sunday!

Glenn's clean, pest-free wood chip mulch is a great topping for Glenn's compost or your quality topsoil

Benefits of wood chips:

- ☞ reduce the need to water your garden by 25 to 50 per cent
- ☞ keep soil and roots cool and moist in summer heat
- ☞ create a healthy environment for earthworms
- ☞ help prevent weeds from taking root
- ☞ add a clean, finished look to your garden

Please bring your own shovel and containers! Wood chips are available while supplies last—it's first come, first served.

Volunteers Wanted!

If you're a teenager who needs to earn your community hours, helping out at Glenn's compost or wood chip events is a great way to do so. You might be asked to shovel compost or wood chips, or sign up people for Glenn's free draw, but one thing's certain: you'll have fun working for an awesome councillor! To learn more, please call Glenn's office at 416-392-0204.

Don't miss Glenn's Free Compost Days: Saturday, May 13 or Sunday, May 14!

(See details on Page 1 of this flyer.)
